Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 231A to Mt. Enterprise, Texas as that community's first local FM service. Mt. Enterprise, Texas is an incorporated city with a population of 525 people and 65 businesses that have been given a credit rating by Dun & Bradstreet as of the last quarter of 2000.¹ Enterprise has its own mayor, Mark Jackson, its own post office, volunteer fire department, city offices, school system and a number of local churches. Mt. Enterprise is a community that is certainly deserving

of local FM service. The proposed channel 231A will provide additional diversity and an outlet for local self-expression to Mt. Enterprise residents and therefore is in the public interest.

Should this petition be granted and Channel 231A is allotted to Mt. Enterprise, Texas, Petitioner will apply for Channel 231A at Mt. Enterprise, Texas and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
